In her practice she integrates hypnotherapy with pragmatic, systemic, strategic approaches, positive psychology and mindfulness. She is the author of seven books on leading training groups, effective communication, how to create metaphors, women's development and resilience. The book on metaphors has been translated into Spanish, Portuguese and French.

Cronauer, Elfie (Dipl.Psych) - Germany

Elfie Cronauer works in private practice in Mönchengladbach, Germany as a psychodynamically oriented psychotherapist. Elfie primarily works with adults in her practice. She is certified as a Rogerian therapist and hypnotherapist. She has also been trained in the techniques of PITT (Reddemann), Ego State Therapy, Focusing, in the theory and therapy of the Structural Dissociation Model (Nijenhuis et al.), as well as in energy psychology. She is an EMDR consultant and certified as a specialist in Trauma Therapy (DeGPT).

Cronauer, Elfie (Dipl.Psych) - Deutschland

Elfie Cronauer ist seit 1981 Dipl.-Psychologin und seit 1998 niedergelassen in Mönchengladbach als tiefenpsychologisch fundierte Psychotherapeutin. Frau Cronauer hat Ausbildungen in Gesprächspsychotherapie und Klinischer Hypnose bei der M.E.G. Deutschland. Sie hat vor ihrer Niederlassung viele Jahre an einer Familienberatungsstelle gearbeitet. Seit 1998 hat sie verschiedene Weiterbildungen im Bereich Psychotraumatologie gemacht, zunächst EMDR bei Arne Hofmann, dann PITT bei Luise Reddemann und Klinische Hypnose in Bonn und Krefeld bei der MEG Deutschland abgeschlossen. Ego-state-Therapie bei Maggie Phillips und Woltemade Hartman kamen hinzu, ebenso wie Weiterbildungen in Focusing, energetischer Psychotherapie (M.Phillips), und struktureller Dissoziation bei Ellert Nijenhuis. Frau Cronauer ist Mitglied bei EMDRIA Deutschland, bei der M.E.G. und bei der Deutschen Gesellschaft für Psychotraumatologie. Sie arbeitet als anerkannte EMDRIA Supervisorin und als Dozentin im Bereich Psychotraumatologie.

Da Silva, Jenny (M.Ed Psych) - South Africa

Jenny da Silva (M.Ed. (Ed Psych) (UJ); B.Ed. (Hons) (Ed Psych) (RAU); B.Ed. (Life Orientation) (RAU); Dipl-Psych) is a registered Educational Psychologist and psychotherapist in private practice in Radiokop, Roodepoort / Randburg, South Africa. She is a fellow-director of the Milton H. Erickson Institute of South Africa and on the Executive Committee of Ego State Therapy International (ESTI) as Secretary. She received her training as an Ericksonian psychotherapist and Ego State Therapist through the Milton Erickson Institute of South Africa (MEISA) with Woltemade Hartman, Ph.D. She is also trained in Eye Movement Integration (EMI) and Somatic Experiencing (SE). She has presented at international and national conferences on the utilization of Ericksonian principles in conjunction with ego-state interventions with children. She is regularly consulted by journalists and the media on various topics.

Fritz, Elzette (D.Ed) - South Africa

Elzette Fritz is an Educational Psychologist and psychotherapist in private practice. She is a research and teaching associate in the Department of Educational Psychology, at the University of Johannesburg, South Africa. She is a co-director of the Milton H. Erickson Institutes of South Africa (MEISA). She is the President of the South African Professional Society for the Abuse of Children (SAPSAC). She has presented at international and national conferences on the utilization of Ericksonian principles in conjunction with ego states therapy, especially utilizing creative expressive arts in psychotherapy. Dr. Fritz has published various articles and chapters on the topic of ego-states therapy and creative expressive arts.

Fruth, Sabine (Dr.Med) - Deutschland

Sabine Fruth ist Fachärztin für Allgemeinmedizin mit der Zusatzausbildung zur Psychotherapeutin in eigener Praxis. Seit 2004 hat sie sich intensiv in medizinischer und psychotherapeutischer Hypnose bei Kindern, Jugendlichen und Erwachsenen weitergebildet. Nach über 20-jähriger Tätigkeit als Landärztin konzentriert sie sich seit 2014 ganz auf die „sprechende Medizin“ mit dem Schwerpunkt der Hypnotherapie. Durch die Kombination hat sie einen ganz eigenen Ansatz entwickeln können, wodurch sowohl psychische als auch somatische Beschwerden hypnotherapeutisch behandelt werden. Im Speziellen sind daraus die eigenen Methoden der „Imaginären Körperreisen“ und des „Haus des Wissens“ entstanden, die Sabine Fruth seit 2012 auf zahlreichen Kongressen und in Seminaren verschiedener Institute vermittelt.

Gomes, Sonia (Ph.D) – Brazil

Sonia Gomes Silva has recently obtained a Ph.D degree in Clinical Psychology in New York. Sonia has accumulated more than 35 years of work in the field of Clinical Psychology and Body Orientation. She has advanced degrees in Structural Rolfing and Rolfing Movement. She is also an International Faculty Member teaching all levels of Somatic Experiencing Training (branches: USA, Brazil, Europe and Asia) and also teaches complementary programs to SE training designed by her. Currently she is the Director of the European Educational Committee for candidate trainers. She is Educational Director for International and National Affairs of the Brazilian Trauma Association and a founder member of Associação Brasileira do Trauma.

Guse, Tharina (Ph.D) - South Africa

Prof Tharina Guse is a counselling psychologist, Head of the Department of Psychology at the University of Johannesburg and member of the Professional Board for Psychology of the Health Professions Council of South Africa. She commenced her training in hypnotherapy in 1989 through the South African Society of Clinical Hypnosis, completing advanced training in Medical Hypnoanalysis, Ego state therapy and Ericksonian approaches. Tharina has presented workshops and scientific papers both nationally and internationally. She has regularly been invited as guest lecturer on topics related to hypnosis and positive psychology to the University of Bologna, Italy and published several peer reviewed articles on hypnosis, positive psychology interventions and psychological strengths. Recently Tharina co-edited a textbook on positive psychology in the South African context. She also supervises postgraduate research in the areas of hypnosis and positive psychology.

Hammel, Stefan (Dipl.Theol) - Germany

Stefan Hammel, geb. 1967, ist systemischer Paar- und Familientherapeut, Hypnotherapeut nach Milton Erickson und evangelischer Klinik- und Psychiatrieseelsorger. Er ist Leiter des Instituts für Hypnosystemische Beratung in Kaiserslautern, Deutschland und Referent systemischer und hypnotherapeutischer Ausbildungsinstitute. In diesem Rahmen leitet er Seminare zu Therapeutischem Erzählen, Therapeutischem Modellieren (das „Stühlespiel“), Utilisation, Erickson'scher Therapie, Systemischer und Hypnosystemischer Beratung. Inhaltliche Schwerpunkte seiner Arbeit liegen in den Bereichen Paar- und Familientherapie, Depression, Angst und Trauma, Kinder- und Jugendlichentherapie, Sterbe- und Trauerbegleitung sowie der psychotherapeutischen Unterstützung somatischer Heilung.

Hattingh, Callie (MA.Clin.Psych) - South Africa

Callie Hattingh is a Clinical Psychologist in private practice in George, South Africa. He is the director of the Milton H. Erickson Institute of Cape Town South Africa (MECSA) and a registered trainer and supervisor with Ego State Therapy International (ESTI). He is the organizer of the MEISA Trauma Congresses in 2008 and

2014. He has specialized in Ericksonian-, Ego State- and Somatic Experiencing Therapy. He is also trained in Eye Movement Desensitization and Reprocessing (EMDR), Eye Movement Integration (EMI), EdxTM (Energy Psychology) and Somatic Experiencing (SE). He presents nationally and internationally.

Hartman, Woltemade (Ph.D) - South Africa

Woltemade Hartman (Ph.D) is a Clinical and Educational Psychologist, and psychotherapist in private practice in Pretoria, South Africa. He received his training as an Ericksonian psychotherapist at the Ericksonian Foundation in Phoenix, Arizona, USA. Dr Hartman also trained as an Ego State therapist with Prof J.G. Watkins and Mrs H. Watkins in Missoula, Montana, USA. He is the author of "Ego state therapy with sexually traumatized children" and "Einführung in die Ego-State Therapie", as well as various articles on the topic of hypnosis and psychotherapy. Dr Hartman is the Founding Director of the Milton H. Erickson Institutes of South Africa (MEISA). He currently serves as President of Ego State Therapy International (ESTI). Dr Hartman is a Senior Research Fellow at the Department of Psychology at the University of Johannesburg and lectures in South Africa, Europe, Australia, Canada, USA, China and Japan. He has been a Keynote Speaker at various international congresses. Dr Hartman is the recipient of the 2009 Early Career Award for Innovative Contributions to Hypnosis from the International Society of Hypnosis. He is also trained in Eye Movement Desensitization and Reprocessing (EMDR), Eye Movement Integration (EMI), EdxTM (Energy Psychology), Impact Therapy, Mindfulness Techniques, Soma and Somatic Experiencing (SE).

Howes, Debbie (M.Clin.Psych) - South Africa

Debbie is a Clinical Psychologist in private practice in Johannesburg, South Africa. She qualified from Potchefstroom University in 1986, doing her thesis on a movement therapy. She subsequently completed the phase 3 modules of the SASCH courses in medical hypnoanalysis, as well as Eriksonian and Ego State therapy. She also qualified in level 2 of EMDR, and the advanced level of EMI. She incorporates the principles of hypnotherapy with a unique model, which includes a projective drawing and storytelling technique. Debbie also has a keen interest in complementary body healing techniques and runs meditation and movement therapy workshops. She has appeared on SABC 2 House Call, 702 radio, and written articles for magazines. Debbie is the author of two books on the 'Little Red Riding Hood Reconditioning Technique' as well as a deck of cards as a therapeutic tool.

Huysen, Karin (M.Clin.Psych) - South Africa

Karin Huysen is a Clinical Psychologist. She has recently relocated from Pretoria to Stellenbosch, South Africa, where she has a private practice. Over the years she found Family Constellations, Somatic Experiencing® and Ego-State Therapy in that order, and she is constantly searching for ways she can work with these modalities on their own and in combination. Karin offers individual therapy, "classical" family constellation workshops, and Ego-State Therapy groups. She trains family constellations facilitators in South Africa and is board member of SCASA (Systems Constellations Association of South Africa).

Linden, Julie (Ph.D) - United States of America

Julie H. Linden is a licensed Psychologist with over 30 years of private practice experience treating people of all ages. Her specialties include the treatment of all kinds of trauma, hypnotherapy, gender sensitive therapy, play therapy, ADHD and Dissociative Disorders. She is very active in professional organizations and has served as president for the American Society of Clinical Hypnosis and is the President of the International Society of Hypnosis. In addition, she is passionate about educating and training her colleagues in the creative

uses of the imagination and language to help people change. She has both a national and an international reputation in the field of hypnosis training.

Leutner, Susanne (Dipl.Psych) - Germany

Susanne Leutner works in private practice in Bonn, Germany as a psycho-dynamically oriented psychotherapist for adults, children and adolescents. She is certified as a Rogerian therapist, hypnotherapist and in systemic therapy. She has also been trained in the techniques of PITT (Reddemann), Ego State Therapy, in the theory and therapy of the Structural Dissociation Model (Nijenhuis et al.), as well as in Energy Psychology. She is an EMDR consultant and facilitator, vice-president of the German Board of EMDRIA and certified as a specialist in Trauma Therapy (DeGPT).

Leutner, Susanne (Dipl.Psych) - Deutschland

Susanne Leutner ist seit 1980 Diplom-Psychologin und seit 1989 niedergelassen in Bonn als tiefenpsychologisch fundiert sowie gesprächs- und familientherapeutisch ausgebildete Psychotherapeutin für Erwachsene, Kinder und Jugendliche. Sie arbeitete viele Jahre in einem Kinderdorf mit traumatisierten Kindern. Seit Beginn der Psychotraumatologie in Deutschland absolvierte sie Weiterbildungen bei Luise Reddemann (PITT), bei Arne Hofmann (EMDR), bei Maggie Philipps und Woltemade Hartman in Ego-State-Therapie und energetischer Psychologie, bei Ellert Nijenhuis in Theorie und Behandlungspraxis der strukturellen Dissoziation und in Hypnotherapie/M.E.G Deutschland. Susanne Leutner ist stellvertretende Vorsitzende von EMDRIA Deutschland und zertifiziert durch die Deutsche Gesellschaft für Psychotraumatologie und die ISSD/ESTD. Sie hat ein ressourcenintegrierendes EMDR-Protokoll entwickelt, in Rost C.2008 veröffentlicht, ist Supervisorin und Facilitator bei EMDRIA Europe und tätig als Dozentin.

Loubser, Minnie (M.Clin.Psych) - South Africa

Minnie Loubser is a Clinical Psychologist in private practice in Stellenbosch, South Africa. She holds a Masters degree in Research Psychology from the University of Stellenbosch and a Masters degree in Clinical Psychology from the University of Zululand. She lectured at the University of the Western Cape from 1983 - 1989. She became a specialist on Attention Deficit and Hyperactivity Disorder (ADHD) and organised conferences and presented workshops nationally on this topic. She has extensive training in Ericksonian Hypnosis and Psychotherapy and Ego State Therapy. Minnie started her training in 1995 at the Evolution of Psychotherapy Conference in Las Vegas and also received training at the Milton H. Erickson Institutes of South Africa (MEISA). She utilizes Eye Movement Desensitization and Reprocessing (EMDR) as an intervention strategy too. Minnie has received international training in Impact Therapy and advanced training in Eye Movement Integration (EMI) and has now been accredited by Danie Beaulieu Ph.D as an EMI trainer in South Africa.

Lütgerhorst, Hans-Jörg (Dipl.Psych) - Germany

Hans-Jörg Lütgerhorst is a Clinical Psychologist and Psychotherapist in Bochum, Germany. He has worked at various psychiatric, psychotherapy and psychosomatic clinics for a period of 35 years. He currently works as a lecturer and supervisor for universities and various psychotherapy training institutes in Germany. He has received extensive training in client-centred psychotherapy, behaviour therapy and hypnotherapy. Hans-Jörg is accredited by the European Association for Behavioural and Cognitive Therapies. He has authored four academic book articles on the topic of psychotherapeutic treating strategies. He conducts regular training seminars on various topics, amongst others "The treatment of experiential avoidance", "Cognitive and hypnotherapeutic assertiveness training", "Behavioural addiction" and "Group behaviour therapy". He regularly acts as supervisor for professional psychotherapy training. Hans-Jörg has lectured and conducted

workshops at various national and international congresses. He acts as expert psychotherapy evaluator for medical insurance companies on a regular basis.

Malherbe, Heleen (D.Phil) - United Kingdom

Heleen Malherbe, (D.Phil), is a practicing Clinical Psychologist and Psychotherapist based in Kent, United Kingdom. Trained as a psychodynamic psychotherapist she spent most of her working life in private practice in Pretoria, South Africa and was employed within a forensic setting, working within a variety of cultural groups. During 2009 she decided to extend her professional career towards gaining experience within the United Kingdom Health Service. From Lead Psychologist in a medium and low secure private psychiatric hospital she specialised in working with adults diagnosed with intellectual disabilities and challenging behaviour. She was fortunate to be part of the first group of South African psychotherapists to train in Ericksonian Hypnotherapy under Dr. Woltemade Hartman (Ph.D). Through MEISA she trained in Ego State Therapy, Eye Movement Integration (EMI) and EdxTM (Energy Psychology). She qualified as a supervisor and trainer for Ego State Therapists. She recently took over as Director of the Milton H. Erickson Institute of London and is working towards establishing both Ego State Therapy and Ericksonian Approaches in the United Kingdom.
